**cropland**  
CONTAINERS INC

#### IBC AND DRUM PARTS

- Manufacturing, design and development of IBC and drum parts.

#### IBC SALES AND RECONDITONING

- We offer new and reconditioned IBCs and drums from our Minneapolis, MN location.

#### IBC AND DRUM TOOLS

- Manufacturing wrenches and sockets to help you stay in compliance with DOT.

#### IBC AND DRUM EQUIPMENT

- We offer and manufacture equipment for testing and cleaning your own containers.

#### IBC SALES AND RECONDITONING

We offer new and reconditioning sales and service from our Webster City IA location.

#### IBC AND DRUM DISPOSAL

We offer a container “BUY BACK” program. If your empty container is in good condition it has a value to us.

#### AGRIICULTAL CONTINER DISPOSAL

We grind 2 ½ gallon jugs and disposal of mini-bulks with our shredders and balers.

#### SEED BIN WASHING

Washing and repairing seed bins is a growing business for us in Iowa.

#### IBC AND DRUM TRACKING

We offer Bar Code, RFID and GPS container traceability with our systems.

#### IBC AND DRUM IDENTIFICATION

Knowing where your containers are and all times through our software systems.

#### CONTAINER TRACKING LABELS

We offer custom unique numbering labels when you just want to ID your containers.

#### CONTAINER PROCESS FLOW

Helping you understand you're Cradle to Grave process.
